

CONTINUOUS INKJET PRINTER

Introducing smart marking and coding

UNCONVENTIONALLY SIMPLE!

Key Highlights

Simple **Unipart Fluid Management system** with NO lock-out hours

Modular design with plug & play serviceability

No mess, No spill, quick change ink cartridge system

IP55

Long Life, High Durable IP55 rated construction

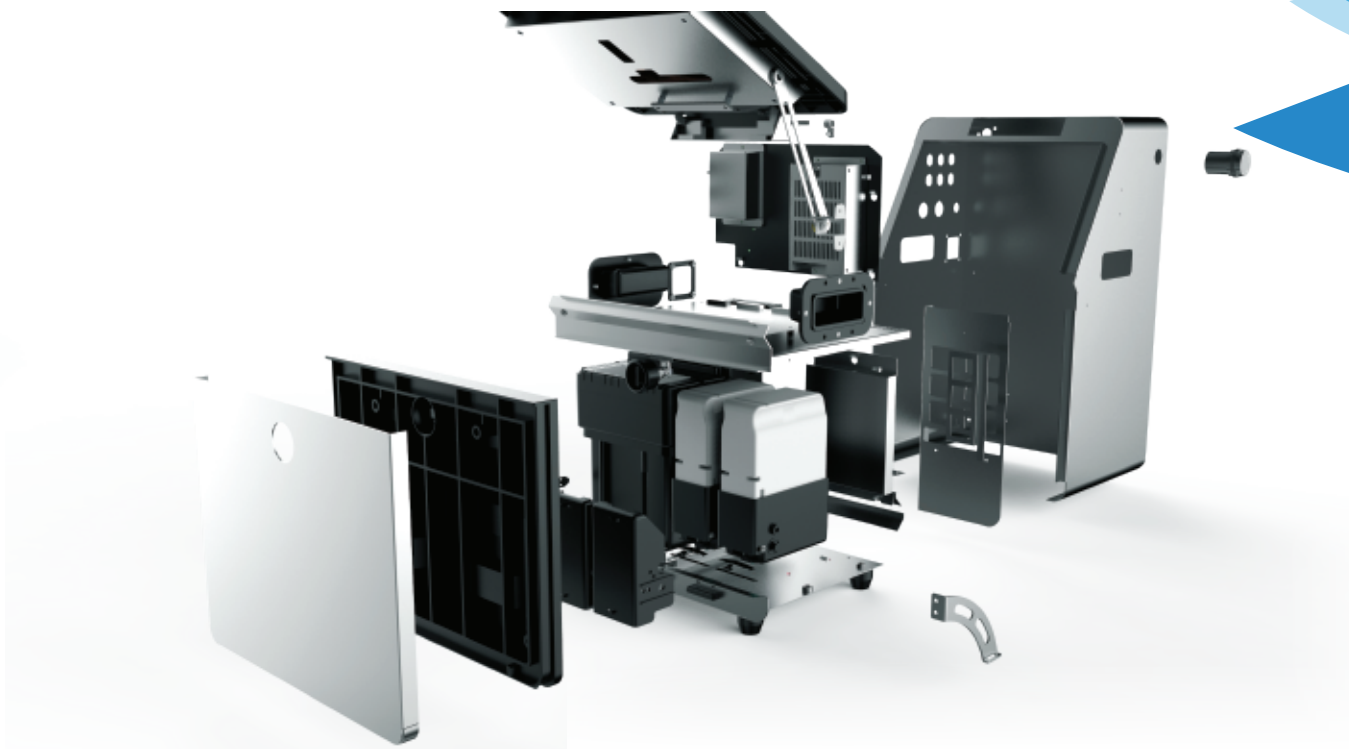

Patented quick change, combo external filter unit upto 2 years of life

NILKAMAL F500 SERIES

The F500 Series Nilkamal printer with **Unipart Fluid Management system**, ensures predictable low **Total Cost of Ownership**. Reliability of operation with robust stainless steel IP55 modular construction ensuring printers survive the harshest of environments. It has **Powerful** and Flexible print data options through the network or local scanners. With a mistake proof, plug and play modular design, the F500 series printers not only eliminate high service skill requirements but also makes it **Unconventionally Simple!**

Modular Structure

A robust yet modular structure makes this inkjet printer easy to use, operate and maintain. A simple design with less serviceable components assures high uptime.

Combo External Filter

A quick change Combo External Filter unit placed outside **Unipart Fluid Management** requires no special skills to replace when needed.

Modular print head

Modular print head with **armoured conduit** enhances reliable operation and easy maintenance.
