

**THE
CIRCLE
.WORK**

WHERE
COMMUNITIES
COLLABORATE
WITH
CREATIVITY.

The Circle.Work is a premium, design-led, technology-enabled, lifestyle workspace with state-of-the-art plug and play infrastructure.

We also invest, incubate and be the very backbone for startups, at the same time providing flexible and vibrant workspaces for enterprises, big to small.

The Circle is about collaboration, conversations and debates, a place with energy and inspiration with a community at its core!

02

A SPACE THAT GIVES YOU LOTS OF BREATHING SPACE.

From spacious workstations, luxurious open spaces, picture-perfect balconies and a well-equipped Caf teria. Our space at The Circle.Work is designed to ensure that the things you love are always around the corner. After all, the best ideas come to you when you are surrounded by them.

AT THE CIRCLE, YOU NEVER GO BACK TO SQUARE ONE.

The Circle has set up a Centre of Excellence for AR, VR, and Gaming, powered by Unity, the world's leading gaming technology platform.

Furthermore, The Circle Innovation Program (TCIP), in partnership with CII is creating and executing programmes for corporates interested in leveraging the start-up ecosystem to boost innovation and growth in the country.

WHY JUST WORK, WHEN YOU CAN WORK AND PLAY?

At The Circle,
we ensure that
work co-exists
with play. Workshops,
Panel Discussions
and Boot Camps
are perfectly mixed up
with music,
standup comedy and
entertainment sessions,
making sure that
we're always brimming
with enthusiasm
and fervour.

A DESIGN-LED APPROACH TO CONNECTIONS. BEYOND COLLEAGUES.
