Your Silent Workers

With a comprehensive study about the need of a customer, related for material handling, we have created a widest array of crates catering to the specification of customers with proper technical know how & quality control. We have conjured the best grade material & design to maintain the quality standard in the market. We are well aware of the competitive market & our strongest USP is our wide product range. Regarding quality, it is needless to say that it is weatherproof & UV resistant with a brutal characteristic to withstand crudest of handling.

The areas where our product could be most effective are industries like Beverages, Dairy, Fruit & Vegetable, Bakery, Fisheries, Automotives, Electronics, Caterers, Garments, Softdrinks, Cold storages, FMCG, Retailing,

Textile and other industries where storage, stacking and nesting is required.

We have been consistently growing since 32 years in the plastic industry. Our products have a global presence. With advance technology, we enthrall our clientele by meeting with their stupendous demand in time.
