## FREIGHT SYSTEMS

**FREIGHT SYSTEMS** is a leading Freight forwarding, Logistics and Supply Chain Company head quartered in Dubai, UAE. Founded in 1988 the organization has grown rapidly and now has offices in 42 cities with a presence in 16 countries employing over 1500 professionals.

At **FREIGHT SYSTEMS**, customer experience is always at the core of our operations. Our approach to work is simple - identify customer needs, provide timely solutions, measure customer satisfaction and improve the speed at which services are brought to the customer's work place. We strive to achieve excellence for all our customer's needs. We focus on value creation , collaboration with customers, innovation & continuous improvement and it is these attributes that differentiate us.

**FREIGHT SYSTEMS** serves a wide cross-section of industries like Apparel, Automotive, Retail, Fashion, FMCG, White Goods, Pharmaceutical, Engineering, Hospitality and Power & Energy to name a few. We operate regular Sea & Air consolidation services to and from various countries in Europe, North America, Far East, Middle East & the Indian Sub Continent.

We are a technology driven company with an Oracle based Web enabled ERP that provides real time information on shipments 24 x 7 Our state of the art Purchase Order Management System "FRESCON" provides SKU wise / part-wise tracking as per your PO number and is ideal for clients having multiple vendors across different geographies. FRESCON supports Omni Channel Distribution networks and enables clients to take timely strategic decisions.

We provide an online tracking facility that enables clients to track their shipments on real- time basis through our website "www.freightsystems.com". Tracking can be done either by any of the client's reference numbers as well as through email tracking. Our Company is an accredited IATA & FIATA agent & member of various Freight Forwarding Associations and a partner in the C-TPAT program.

We look forward to hearing from you and will be delighted to meet with you to understand your requirements and explore the possibility of working with you.
